

Buy or Sell a House Help your Local Animal Shelters

We can help to promote humanity and kindness to all animals.

I am working with numerous animal shelters to help prevent cruelty and to save a precious life of an animal. These shelters are run on a donation basis. Every little bit helps.

So we will be offering the following:

- **List and Sell your home with me and I will donate \$500.00 to the shelter of your choice.**
- **Buy your home with me and I will donate \$ 250.00 to the shelter of your choice.**

Together we could make a difference. Call us for a Free Market Analysis of your home, or a No Obligation Buyer Consultation.

Don't forget to adopt a Dog or Cat and have a friend for life.
