OUR 60TH YEAR!

The Animal Haven Board of Directors wishes to thank EVERYONE who played a part in our 60th Anniversary

Celebration held at the shelter on June 28, 2008. A fun day was had by all - even our beloved pets who joined in the celebration as well as the pets who came to visit. For 60 years we have existed solely because of the ongoing and generous support of the community. Without our caring members, friends, volunteers and supporters, we would not be here..... helping as many homeless cats and dogs as humanly possible. We are always continuously amazed at all the people out there who love animals, share their lives with them, and want to help give them a better life. There have been times in the past when we didn't know if we would even be able to open our doors the next day. But kind and compassionate people always got us through! We can never forget all the people who supported Animal Haven for 60 years and we are grateful beyond words. Special thanks to: Broken Fence Photography, Paws 'N Effect, Sally Bahner/Cat Expert, Paul Sires with his K-9 team, Vinnie Penn of Animal Radio, Zodia Pet, Help Willy's Friends, The Dog House, Sparky's Adventures, Tails Waggin Barkery, Designed 4 Paws, The NAET Pet Clinic/The Doggy Daddy, Big Y Supermarkets, BJ's Wholesale Club, and the Regional Water Authority. Thanks also to our staff, the many volunteers and everyone who donated supplies and penny auction prizes. And to those of you who came, joined us, and had fun..... we were SO very happy and grateful to share the day with you! You can check out the beautiful photos from the event by going to this website:

WISH LIST

Cat & kitten food: dry or fish-flavored canned (we are well-stocked with dog food)
Clorox bleach: to keep our shelter clean and disease-free)

THE DOGGIE DOOR FUND

With the escalating costs of energy and utilities, we are trying to make our shelter more energy efficient. In doing so we have identified that the dog flaps are an enormous source of lost energy. We have found an insulated dog door & we'd like to raise funds to purchase 14 energy efficient doggie doors. Animal Haven is kindly requesting support for this fund by purchasing a door for \$260 each and we would put up a plaque with your name on it. Please help our dogs stay warm this winter and buy a doggie door today. Would make an excellent holiday gift!

WE ARE LOOKING FOR....

- An attorney to donate legal services to us by answering various legal questions we may have from time to time
- A printer to donate printing services as needed

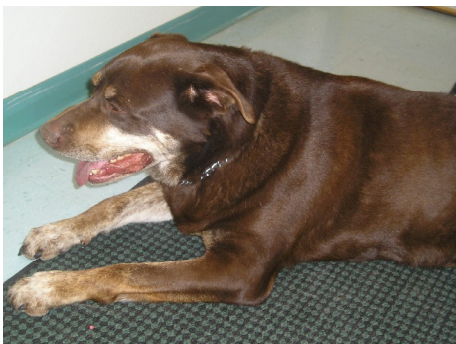

GODSPEED, CORKY

It was just in our last newsletter that we asked for a foster home for our beloved Corky, an aging Corgi mix whose sight was gone and health diminished. Sadly, his health deteriorated due to a brain tumor. But before he passed away, Corky was blessed to enjoy the love and companionship of 2 young sisters, Charlie & Emily Carlisle of Hamden, who visited nearly every day to spend time with Corky. These 2 very kind girls made Corky's last days special by petting, grooming, and paying attention to him. Corky left this Earth knowing that he was loved. What more could any of us want?

We also just said goodbye to longtime member and generous supporter, Elizabeth Bone of North Haven. When the new shelter opened, she purchased a washer, dryer and vacuum for us as well as making continuous donations to our Emergency Medical Fund. She was a great lady who deeply cared about helping homeless animals..... and she will be missed.

- ☺ Mid-year stats (January to June 2008) are up from 2007
Adoptions: 57 dogs & 101 cats = 158 total; up 25%
Entries: 52 dogs & 78 cats = 130 total; up 11%
Thank you very much for making this achievement possible by your support to The Animal Haven!

TOBY

We are still looking for the right home for our gentle giant, Toby. Toby, a large 8-year old Rottie/German Pointer mix, has been with us for several years. His sheer size & age seems to discourage people from adopting him but he is such a sweet dog and he very much wants a home of his very own with his own people to love him. Whatever you give to Toby, he will give back to you ten-fold. Will you give him a chance to show you the many joys of adopting an older dog?

SPONSOR A PET: We currently have 2 hard-to-place animals who need a sponsor to help defray the costs of their care. Yaeger is a Lhasa mix, still young, very sweet and good with other dogs but he has had several homes and been returned because he can be a bit temperamental. Our senior citizen cat Petey is a big Calico and is on a number of medications. To sponsor one of these special pets, or another one, please call Bobbie at 203.239.4189 for more information.

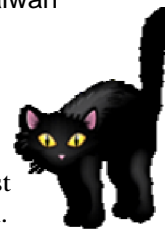

We have mentioned the Vaidya family before as they are longtime regular and generous supporters. Recently the children of Susan & Prakash made a generous donation in honor of Father's Day and Susan's birthday. These funds were specifically designated to support the Rescue Fund for the Georgia dogs --- dogs we rescue from kill-shelters down South. With grateful appreciation to Kelly, Luke, Tommy, Shelby, Priya and Henry for their unique and thoughtful way to pay tribute to the extraordinary parents who raised them. Making a donation for a special occasion or in honor of someone is a lovely way to help Animal Haven and to pay homage to someone you care about and who loves animals as you do.

QUOTE OF THE DAY:

"In order to keep a true perspective of one's importance, everyone should have a dog that will worship him and a cat that will ignore him."
 ----- Dereke Bruce – Taipei, Taiwan

Pet Photos with Santa – December 13 at PETCO in North Haven

To Our Members: By the time you read this, summer will be winding down ☺ and fall will be on its way. In so many ways it has been a tremendous year for Animal Haven however we have already begun to feel the financial effects of the poor economy and the recession in this country. We fully understand that

your charitable dollars do not stretch as far as they used to and we are grateful when you choose to spend them with Animal Haven. We know it can be difficult to just write a check as a donation and that is one of the reasons why fundraisers are so popular and successful! You can come to an event, have a good time, while still supporting and helping homeless animals in need by spending your entertainment dollars. It's a win-win situation for all of us! So we hope to see you at some of our upcoming events and you will have the gratification of providing us with the resources to help many more animals in need.

Make the most of the rest of your summer and have a fabulous fall!
